

## Save the date:

### **HORIZON 2020**

#### **International info day and brokerage event**

#### **Call: Europe as a Global Actor**

**26. February 2015, University Foundation, Brussels**

The aim of the event is to present the topics of the Horizon 2020 Call “Europe as a Global Actor” and to facilitate the networking among researchers. The event will highlight the policy context and background of the calls and will bring together the respective international scientific community to foster cooperative, interdisciplinary research in this field.

#### **Info Day**

In the morning of the info day participants will receive first-hand information about the policy context, funding opportunities and the open topics for proposals. The session will also be focusing on expected impacts and target groups. Project Coordinators of successful FP7 projects will share their experiences and results during the conference.

#### **Matchmaking / Brokerage event**

In the afternoon a matchmaking event according to the topics of the current call “Europe as a global actor” will give participants the opportunity to join pre-arranged meetings with other participants in order to identify possible collaborators and to facilitate the setup of Horizon 2020 project consortia.

The website with information on the conference and the registration system will soon be available under: [www.b2match.eu/SC6-INT-2015](http://www.b2match.eu/SC6-INT-2015)

### **Why participate in the information day and the brokerage event (pre-scheduled one-to-one meetings)?**

- To get detailed information from the European Commission on the Horizon 2020 call Europe as a Global Actor (Societal Challenge 6)
- To get to know key R&D players including researchers, representatives from CSOs and NGOs, practitioners from SSH-relevant industries, research programme managers as well as policy makers and research leaders
- To facilitate the setup of Horizon 2020 project consortia
- To participate in short, sharp 20 minute one-to-one meetings to foster effective networking
- To present, discuss and develop new project ideas at international level
- To initiate cross-border contacts and co-operations.

Language: English

Costs: Free of charge

This event is jointly organised by the German National Contact Point for Socio-economic Sciences and Humanities at the PT-DLR (SSH NCP) and NET4SOCIETY
