- Security on-board passenger ships ([SU-BES02-2019](#) – sub-topic 3)
- Detecting threats in the stream of commerce without disrupting business ([SU-BES02-2019](#) – sub-topic 4)
- Any project helping to secure borders ([SU-BES02-2019](#) - open sub-topic)
- New concepts for decision support and information systems ([SU-BES03-2019](#))
- Pan-European networks of practitioners and other actors in the field of security in two specific areas of specialisation: 1) the protection of public figures; 2) the handling of hybrid threats" ([SU-GM01-2019](#))

that will take place on **October 11th 2018** at the **Ministry of Research and Innovation in Paris**.

At this event that is **dedicated to practitioners** interested in the uptake of security research and innovation, you will have the opportunity to meet with other practitioners from your discipline and from other disciplines, and share your needs and innovative ideas with the aim of paving the way for future cooperation. The cooperation strategic targets are to:

- 1) express your requirements in the projects
- 2) share your tools and infrastructures for the demonstrators
- 3) form core consortia of practitioners ready to include other stakeholders

Participation in the brokerage event is *free of charge*. However, *registration is mandatory*.

Please register online by October 8th 2018 at the following [link](#).

Seats will be allocated on a first come, first serve basis due to the *limited capacity* of the meeting room.
