

IT technology
cluster
POLAND.

WHAT IT'S ABOUT

At the first meeting of the IT Poland Meeting series, we will talk about the situation of the IT&Tech sector in the face of the war in Ukraine. Especially we address our event to companies that have relocated their business to Poland because of it. The meeting will consist of three panel discussions and a presentation of the IT Poland Technology Cluster, which was established to support IT&Tech companies from Ukraine and other countries.
