

Pitching session:

Pitching session is aimed at facilitating research and innovation partners' search via short oral presentation about your organisation, your experience within blue economy area and plans for future cooperation.

Please note:

- Presentation should be max 8 slides – time per presenter up to **4 minutes in total**.
- Presentation **should contain specific sections:**
 - Organisation details,
 - Scientific/business experience,
 - Your idea/ideas about future cooperation, including possible partners' characteristics, cooperation areas etc.
- Presentation should not contain animations.

Please send your presentation with the following subject: **Pitch presentation BEBF 2023** to adrianna.pawlik@ncbr.gov.pl

Presentations should be in **power point format or/and in pdf format**.

Deadline to submit your presentation: **May 21st, 2023**

Please note that due to the time constrains, final decision about including a pitch presentation in the session will be made by the organizers; you will be informed about the results by May 25th, 2023.

By participating in the event you agree to have your presentations made available to other participants after the event.

For the presentation please use the **TEMPLATE**.
