What is the New European Bauhaus?

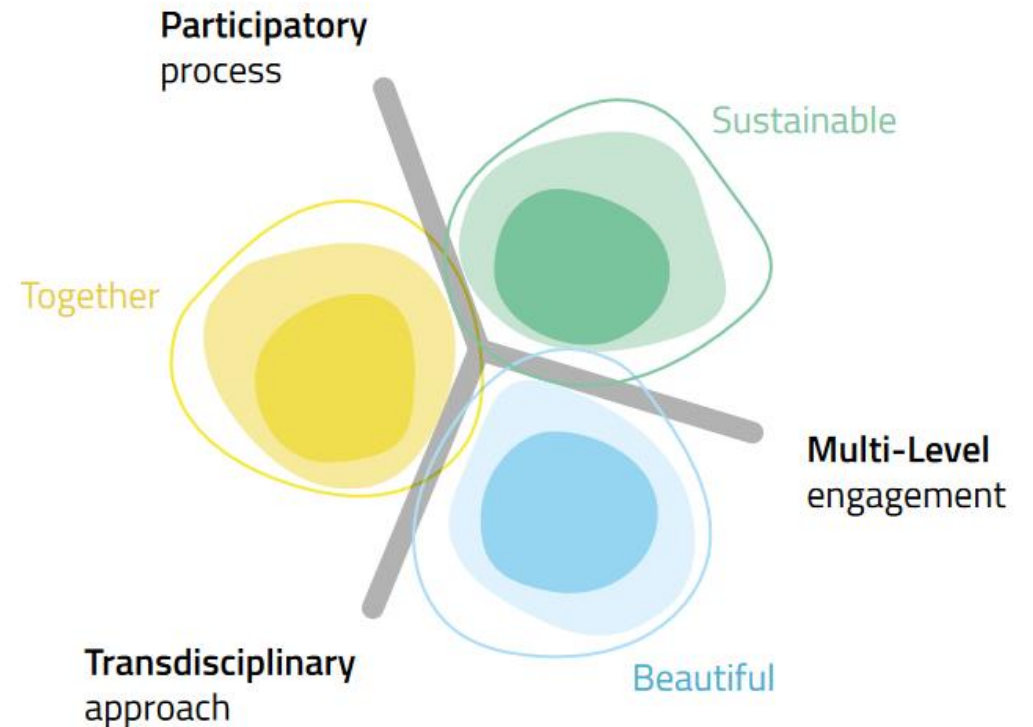

What is the New European Bauhaus?

The **New European Bauhaus** (NEB) is an initiative launched by the European Commission in 2021 with the aim of translating **the European Green Deal** into tangible change on the ground that improves citizens' daily life and accelerates the green transition.

NEB promotes an **integrated approach** to the Green Transition of our economy and societies, building on:

3 Values

3 Working Principles

How do we deliver the NEB?

- By co-creating with an active **NEB Community** across Europe
- By developing **tools and guidelines** to support NEB projects
- By **integrating NEB objectives** in EU programmes and policies
- By **supporting and funding** projects

A screenshot of the EU Funding & Tenders Portal. The page title is "National Contact Points for Horizon Europe". Below the title, there is a paragraph explaining the role of NCPs. A "Filters" section is visible, with a dropdown menu showing "Austria, Belgium, Bulgaria, Croati..." and another dropdown menu showing "New European Bauhaus R&I", which is circled in yellow. A yellow arrow points from the circled filter to a search result for "Stefanie ROTH" in Germany, who is the NCP for "Food, Bioeconomy, Natural Resources, Agriculture and Environment (including rel...)". The result also includes the contact information for Project management Juelich (PtJ) in Lützowstr. 109 - 10785, Berlin, Germany. A "Contact NCP" button is visible next to the result.
